*Yellowstone
National Park*

*The National Park Service and Yellowstone National Park wish to thank the
Yellowstone Association, which funded this full color edition.*

Contributors

Production of *Yellowstone Resources and Issues 2005* is made possible through the efforts of many people in Yellowstone National Park and beyond. These include:

Janet Ambrose and staff	Betsy Mitchell
Karen Angermeier	Peggy Olliff
Tami Blackford	Jim Peaco
Tom Cawley	Roy Renkin
Diane Chalfant	Ann Rodman
Clare Cloghessy	Paul Schullery
Jennifer Conrad	Jo Suderman
Neysa Dickey and staff	Brian Suderman and staff
Lane Baker and staff	Virginia Warner
Katy Duffy and staff	Tammy Wert and staff
Judy Knuth Folts	Dr. Lisa Morgan, U.S. Geological Survey
Bob Fuhrmann	Dr. Toni K. Ruth, Wildlife Conservation Society
Deb Guernsey	
Henry Heasler	
Mary Hektner	
Cheryl Jaworski	
Judy Jensen and staff	
Craig Johnson	
Beth Kaeding	
Cheryl Matthews	
Steve Miller	

The Yellowstone National Park staff experts who contributed updates to this edition are listed at the end of each chapter in “For More Information.”

Editing, design, production:

Carolyn Duckworth, Publications Program Manager, Division of Interpretation

Managing Editor: Linda Young, Deputy Chief of Interpretation: Planning and Media

Produced by the Division of Interpretation, Yellowstone National Park, Mammoth Hot Springs, Wyoming.

All material is in the public domain unless noted below.

PREFACE

2005

In this book, you will find concise information about the park's history, natural resources, cultural resources, issues, and major areas. This material was provided and reviewed by park researchers, resource specialists, and staffs of Planning, Public Affairs, and Interpretation.

Organization of Chapters:

- Summary box containing key facts
- Main text providing overview of subject
- Resource list for more information

Some material is repeated in the book to accommodate users with varying needs.

New in 2005:

New sections in Ch. 9:
Aquatic Invaders
Sustainable Practices
Wilderness

Updating the Information

Information about Yellowstone constantly changes; the information provided here is current as of March 2005. You can find updates and comprehensive information on the park website (www.nps.gov/yell), in park publications and exhibits, or by asking the park's interpretive rangers who staff the visitor centers.

We welcome your feedback and comments.
